C            A7                      Dm
Crazy   I'm crazy for feeling so lonely
     G7                                C
I'm crazy     crazy for feeling so blue

             G7                                          C
And then someday     you'd leave me for somebody new

F                                  C
Worry    why do I let myself worry
