Keep on the Sunny Side (C) The Carter Family, Johnny Cash

[Verse 1]

```
C                          F              C
There's a dark and a troubled side of life
C                                         G G7
There's a bright, there's a sunny side, too
          G                               C
Tho' we meet with the darkness and strife
    G7                           C
The sunny side we also may view
```

```
[Chorus]

C                              F                      C
Keep on the sunny side, always on the sunny side
C                              G G7
Keep on the sunny side of life
         C              C7          F                  C
It will help us every day, it will brighten all the way
C                       G7          C
If we'll keep on the sunny side of life
```

```
C                      F                C
The storm and its fury broke today
C                                     G G7
Crushing hopes that we cherish so dear
              G                         C
Clouds and storms will, in time, pass away
     G7                                 C
The sun again will shine bright and clear
```

[Chorus]

```
C                            F                    C
Let us greet with the song of hope each day
C                                   G G7
Tho the moment be cloudy or fair
        G                        C
Let us trust in our Saviour always
      G7                         C
Who keepeth everyone in His care
```

[Chorus]

```
C                        G7            D
If we'll keep on the sunny side of life
```
