

## Be Still

(Chorus)

C            F    G7            C  
Be still my love, know that I am God  
C            F    G7            C  
Be still my love, know that I am God

---

Am                    F  
The mountains shake, the waters roar  
G7                            C  
The valleys tremble with fear  
Am                    F  
And yet our strength, our refuge sure  
F                    G7  
Whispers in our ear

(Repeat Chorus)

Though nations fight, though kingdoms fall  
Though spiteful hearts will harm  
Your mercy holds us, we hear You call  
We linger in Your resting arms as You say

(Repeat Chorus)

Behold the works our Lord has done  
To change our hearts of stone  
God breaks our arrows, God breaks our bows  
God calls us chosen, calls us God's own

(Repeat Chorus)
