

## **Could I Have This Dance (C)**

Intro: [F] I fell in [G7]love with [C]you

**C                      C7                      F                      G7**  
I'll always remember, the song they were playing  
**F                      G7                      C                      G7**  
The first time we danced, and I knew  
**C                      C7                      F                      G7**  
As we swayed to the music, and held to each other  
**F                      G7                      C                      G7**  
I fell in love with you

### **Chorus**

**C                      C7                      F**  
Could I have this dance for the rest of my life?  
**G7                      F                      G7**  
Would you be my partner every night?  
**C                      C7                      F                      Fm**  
When we're together, it feels so right  
**C                      G7                      C                      G7**  
Could I have this dance for the rest of my life?

**C                      C7                      F                      G7**  
I'll always remember, that magic moment  
**F                      G7                      C                      G7**  
When I held you close to me  
**C                      C7                      F                      G7**  
As we moved together, I knew forever  
**F                      G7                      C                      G7**  
You're all I'll ever need

**Chorus (Sing)**

**Instrumental Verse (Harmonica)**

**Chorus (Sing to end, last line twice)**
