D7 G7 C

(C) G7 F C

Stars that shine tonight Lehuanani

G7 C

Cast their magic charms on you

G7 F C

While the tradewinds sway the palms in rhythm

G7 C C7

Just as hula maidens do

F G7 C

A million flowers scent the air

D7 F G7

Embracing lovers everywhere

G7 F C

All my love is you Lehuanani

G7 C (C7)

Making all my dreams come true
