

Pajarillo, barranqueño (www.azlyrics.com/j/joanbaez.html)

Pajarillo, pajarillo,
pajarillo barranqueño,
Qué bonitos ojos tienes,
Lástima que tengan dueño.

¿Qué pajarillo es aquél,
Qué canta en aquella lima?
Anda y dile que no cante,
Que mi corazón lastima.

¿Qué pajarillo es aquél, (Qué será ese pajarito)
Que canta en aquella higuera?
Anda y dile que no cante,
Que espere a que yo me muera. 0:54

vvvvvvvvvvvvvvvvvvvvvvvvvvv

Qué será ese pajarito
que canta en aquella loma
quisiera ser gavilán
y que tú fueras paloma.

¿Qué pajarillo es aquél,
Que canta en aquella palma?
Anda y dile que no cante,

Toma esta cajita de oro
Mira lo que lleva adentro
Lleva amores lleva celos (lleva celos lleva penas)
Y un poco de sentimiento 1:26

Toma esta llavita de oro
Abre mi pecho y verás
Lo mucho que yo te quiero
Y el mal pago que me das 1:42

Ya con esta me despido

Ya con esta me despido
Con el alma entristecida
Ya te cante Los dolores
Y las penas de mi vida

Little River Bird (English Translation)

Little bird, little bird
Little bird of the hills (raven bird, river bird)
What lovely eyes you have
Too bad they belong to another. (it's a shame they have an owner.)

What little bird is that?
That sings in the lime tree
Tell her not to sing (him??)
And break my heart (that it hurts my heart.)

What little bird is that?
That sings in the fig tree
Tell her not to sing (him??)
Just wait until I am dead (to wait until I die.)

what will that little bird be
who sings on that hill
I would like to be a hawk
and that you were a dove.

What little bird is that?
What sings in that palm?
Go and tell him not to sing,
.....1:10

Take this little golden box
Look what is inside
It has love and jealousy (it carries jealousy, it carries sorrows)
And a bit of sentiment

Take this little golden key
Open my heart and you will see
How much I love you
And how badly you treat me

With this I say goodbye
.....

=====

With this I take my leave
With my saddened soul
Now I have sung you my sorrows
And the pains of my life
