

"Tomorrow"

**G**  
The sun'll come out Tomorrow  
**C D Em**  
Bet your bottom dollar that tomorrow  
**C D**  
There'll be sun!  
**G**  
Just thinkin' about Tomorrow  
**C**  
Clears away the cobwebs,  
**D Em C**  
And the sorrow 'til there's none!  
**Am**  
When I'm stuck a day That's gray,  
**F**  
And lonely,  
**C**  
I just stick out my chin And Grin,  
**E**  
And Say, Oh!  
**G**  
The sun'll come out Tomorrow  
**C**  
So ya gotta hang on  
**D Em**  
'Til tomorrow  
**C D**  
Come what may  
**G**  
Tomorrow! Tomorrow!  
**C**  
I love ya Tomorrow!  
**D**  
You're always  
A day  
**G**  
A way!
