Lean On Me (C) (capo on 2 = D)

by Bill Withers

[Intro]

```
| C      F|(F)     C|(C)     Em|(Em) G9   |
| C      F|(F)     C|(C)     G7|(G7) C    |
```

[Verse 1]

```
C                F                     C
Sometimes in our lives   We all have pain
            Em G    C              F
We all have sorrow  But if we are wise
             C                 G7 C
We know that there's always tomorrow
```

[Chorus]

```
          C                   F
Lean on me, when you're not strong
                   C
And I'll be your friend

               Em    G   C                 F
I'll help you carry on  For it won't be long
                C                   G7   C
'Til I'm gonna need  Somebody to lean on
```

[Verse 2]

```
C                   F                   C
Please swallow your pride  If I have things
            Em G    C               F
You need to borrow  For no one can fill
              C                       G7  C
Those of your needs  That you won't let show
```

```
[Bridge]
         C
So just call on me brother, when you need a hand
        C                 G7   C
We all need somebody to lean on
        C
I just might have a problem that you'd understand
        C                 G7   C
We all need somebody to lean on
```

[Chorus]

[Bridge]

```
[Verse 3]
C              F                  C
If there is a load you have to bear

                Em G   C                  F
That you can't carry  I'm right up the road

                 C                   G7   C
I'll share your load  If you just call me (call me)
```
