[Verse 1]
G             Am7        D7     Am7     D7          G
I will never love you,    the cost of love's too dear.
    G                  Am7      D7      Am7       D7      G
But though I'll never love you,   I'll stay with you one year.

  [Chorus]

[Verse 2]

     G                 Am7      D7      Am7      D7    G
I'll sing to you each mornin',    I'll kiss you every night.
    G                    Am7    D7      Am7     D7     G
But darlin', don't cling to me,    I'll soon be out of sight.

  [Chorus]

[Verse 3]
   G               Am7     D7                Am7      D7  G
My daddy, he once told me,   get don't you love you any man.
     G                   Am7      D7     Am7      D7       G
Just take what they may give you,   and give but what you can.

  [Chorus]

[Verse 4]
    G                  Am7   D7     Am7    D7    G
And when our year has ended    and I have gone away.
       G             Am7      D7     Am7     D7          G
You'll often speak about me,    and this is what you'll say.
